PART C: LIMITATIONS AND EXCLUSIONS

32. PERIOD DURING WHICH PRE-EXISTING CONDITIONS ARE NOT COVERED. ¹⁰	12 months for all pre-existing conditions unless the covered person is a HIPAA-eligible individual as defined under federal and state law, in which case there are no pre-existing condition exclusions.
33. EXCLUSIONARY RIDERS. Can an individual's specific, pre-existing condition be entirely excluded from the policy?	No
34. HOW DOES THE POLICY DEFINE A "PRE-EXISTING CONDITION"?	A pre-existing condition is an injury, sickness, or pregnancy for which a person incurred charges, received medical treatment, consulted a health-care professional, or took prescription drugs within 12 months immediately preceding the effective date of coverage.
35. WHAT TREATMENTS AND CONDITIONS ARE EXCLUDED UNDER THIS POLICY?	Exclusions vary by policy. List of exclusions is available immediately upon request from your carrier, agent, or plan, sponsor (e.g., employer). Review them to see if a service or treatment you may need is excluded from the policy.

PART D: USING THE PLAN

37. Is prior authorization required for surgical procedures and hospital care (except in an emergency)?	Yes	Yes, the member is responsible for obtaining pre-certification unless the provider participates with Anthem Blue Cross and Blue Shield.
38. If the provider charges more for a covered service than the plan normally pays, does the enrollee have to pay the difference?	No	Yes, unless the provider participates with Anthem Blue Cross and Blue Shield.
39. What is the main customer service number?	888-231-5046	
40. Whom do I write/call if I have a complaint or want to file a grievance? ¹¹	Anthem Blue Cross and Blue Shield Complaints and Appeals 700 Broadway, Denver, CO 80273 888-231-5046

¹ "Network" refers to a specified group of physicians, hospitals, medical clinics and other health care providers that your plan may require you to use in order for you to get any coverage at all under the plan, or that the plan may encourage you to use because it may pay more of your bill if you use their network providers (i.e., go in-network) than if you don't (i.e., go out-of-network).

² "Deductible Type" indicates whether the deductible period is "Calendar Year" (January 1 through December 31) or "Benefit Year" (i.e., based on a benefit year beginning on the policy's anniversary date) or if the deductible is based on other requirements such as a "Per Accident or Injury" or "Per Confinement."

^{2a} "Deductible" means the amount you will have to pay for allowable covered expenses under a health plan during a specified time period (e.g., a calendar year or benefit year) before the carrier will cover those expenses. The specific expenses that are subject to deductible may vary by policy. Expenses that are subject to deductible should be noted in boxes 8 through 31.

^{2b} "Individual" means the deductible amount you and each individual covered by a non-HSA qualified policy will have to pay for allowable covered expenses before the carrier will cover those expenses. "Single" means the deductible amount you will have to pay for allowable covered expenses under an HSA-qualified health plan when you are the only individual covered by the plan.

^{2c} "Family" is the maximum deductible amount that is required to be met for all family members covered by a non-HSA qualified policy and it may be an aggregated amount (e.g., "\$3000 per family") or specified as the number of individual deductibles that must be met (e.g., "3 deductibles per family"). "Non-single" is the deductible amount that must be met by one or more family members covered by an HSA-qualified plan before any covered expenses are paid.

³ "Out-of-pocket maximum" means the maximum amount you will have to pay for allowable covered expenses under a health plan, which may or may not include the deductibles or copayments, depending on the contract for that plan. The specific deductibles or copayments included in the out-of-pocket maximum may vary by policy. Expenses that are applied toward the out-of-pocket maximum should be noted in boxes 8 through 31.

⁴ Medical office visits include physician, mid-level practitioner, and specialist visits, including outpatient psychotherapy visits for biologically based mental illness.

⁵ Well baby care includes an in-hospital newborn pediatric visit and newborn hearing screening. The hospital copayment applies to mother if complication of pregnancy and well-baby together: there are not separate copayments.

⁶ Prescription drugs otherwise excluded are not covered, regardless of whether preferred generic, preferred brand name, or non-preferred.

⁷ "Emergency care" means all services delivered in an emergency care facility which are necessary to screen and stabilize a covered person. The plan must cover this care if a prudent lay person having average knowledge of health services and medicine and acting reasonably would have believed that an emergency medical condition or life- or limb threatening emergency existed.

⁸ Non-emergency care delivered in an emergency room is covered only if the covered person receiving such care was referred to emergency room by his/her carrier or primary care physician. If emergency departments are used by the plan or non-emergency after-hours care, then urgent care copayments apply.

⁹ "Biologically based mental illnesses" means schizophrenia, schizoaffective disorder, bipolar affective disorder, major depressive disorder, specific obsessive-compulsive disorder, and panic disorder.

¹⁰ Waiver of pre-existing condition exclusions. State law requires carriers to waive some or all of the pre-existing condition exclusion period based on other coverage you recently may have had. Ask your carrier or plan sponsor (e.g., employer) for details.

¹¹ Grievances. Colorado law requires all plans to use consistent grievance procedures. Write the Colorado Division of Insurance for a copy of those procedures.

Anthem Blue Cross and Blue Shield & HMO Colorado Health Plan Description Form Disclosure Amendment

Colorado law requires carriers to make available a Colorado Health Plan Description Form, which is intended to facilitate comparison of health plans. The form must be provided automatically within three (3) business days to a potential policyholder who has expressed interest in a particular plan. The carrier also must provide the form, upon oral or written request, within three (3) business days, to any person who is interested in coverage under or who is covered by a health benefit plan of the carrier.

Pursuant to Colorado law (C.R.S. §10-16-107(7)(a)), services or supplies for the treatment of Intractable Pain and/or Chronic Pain are not covered.

This coverage is renewable at your option, except for the following reasons:

- 1. Non-payment of the required premium;**
- 2. Fraud or intentional misrepresentation of material fact on the part of the plan sponsor;**
- 3. The commissioner finds that the continuation of the coverage would not be in the best interest of the policyholders, the plan is obsolete, or would impair the carrier's ability to meet its contractual obligations;**
- 4. The carrier elects to discontinue offering and non-renew all of its individual plans delivered or issued for delivery in Colorado.**

Cancer Screenings

At Anthem Blue Cross and Blue Shield and our subsidiary company, HMO Colorado, Inc., we believe cancer screenings provide important preventive care that supports our mission: to improve the lives of the people we serve and the health of our communities. We cover cancer screenings as described below.

Pap Tests

All plans provide coverage for an annual Pap test and the related office visit. Payment for the Pap test is based on the plan's laboratory services provisions, and payment for the related office visit is based on the plan's preventive care provisions.

Mammogram Screenings

All plans except our HMO and PPO Basic Health Plans provide mammogram screening coverage for women in accordance with the "A" and "B" recommendations of the U.S. Preventive Services Task Force. Frequency guidelines can be found in your certificate. Payment for the mammogram screening benefit is based on the plan's provisions for X-ray services.

Prostate Cancer Screenings

All plans except our HMO and PPO Basic Health Plans provide prostate cancer screening coverage for men 40 years of age and older. Frequency guidelines can be found in your certificate. Payment for the prostate cancer screening benefit is based on the plan's provisions for X-ray services.

Colorectal Cancer Screenings

Several types of colorectal cancer screening methods exist. All plans provide coverage for colorectal cancer screenings, such as colonoscopies, sigmoidoscopies and fecal occult blood tests. Depending on the type of colorectal cancer screening received, payment for the benefit is based on the plan's provisions for laboratory services, preventive care office visit services, or other medical or surgical services. Our plans do not provide coverage for preventive colorectal cancer screenings involving invasive surgical procedures and DNA analysis.
