Colorado Pathway Network July 2013

The Pathway Network provides a full range of physicians and health care providers across the state and includes some of the country's most prominent hospitals and teaching institutions. For services outside of the counties shown here, Pathway members have access to our traditional HMO network, which includes 38 hospitals and about 1,000 PCPs.

Pathway physicians and health care providers are chosen based on their close alignment to the network's main hospitals listed below.

- MAIN Hospitals**
