BISON EPO PLAN AT A GLANCE

The Colorado HealthOP Bison Exclusive Provider Organization (EPO) Plan is one of our silver-level health insurance plans. Some key features of this plan include:

LIMITED NETWORK OF HIGH-QUALITY PROVIDERS: Under Colorado HealthOP's Exclusive Provider Organization (EPO) plans, your healthcare is covered only when you use in-network healthcare providers and facilities (except in case of an emergency). **If you choose to visit an out-of-network doctor, hospital or other healthcare provider, you will be responsible for the full cost of your services.**

FREE PRIMARY CARE OFFICE VISITS: In addition to a free wellness visit, your next two primary care office visits to treat an illness or injury are no cost to you.

NO COST FOR MANY COMMON PREVENTIVE GENERIC PRESCRIPTIONS: Some generic preventive prescription drugs (including some medications for cholesterol, diabetes, asthma/COPD, high blood pressure and prenatal care) are covered at no cost to you.

REWARDS FOR TAKING HEALTHY STEPS: When you complete three health actions, you'll get rewarded with:

- Lower-cost or free primary care office visits for the rest of the year
- Free in-network behavioral health office visits
- No cost for all in-network generic prescription drugs
- A lower deductible
- Coverage for acupuncture and chiropractic services

WHY COLORADO HEALTHOP?

Colorado HealthOP is a nonprofit health insurance cooperative (CO-OP) that's focused on people, not profits. Here's what sets us apart:

More Control Over Your Healthcare

We're a CO-OP, which means you have a voice in how your health insurance company is run. Our members sit on the board of directors and weigh in on what's covered under our benefit plans. At Colorado HealthOP, all of our members are working together to take care of their own health and reduce the cost of healthcare for everyone.

A Focus on Preventive Care, Not "Sick Care"

We think health insurance should help you stay healthy, not just take care of you when you're sick. Our benefits are designed to help you and your family catch healthcare issues early — before they become major, expensive health problems.

A "No Surprises" Philosophy

We know health insurance is complicated, and we're committed to helping you understand your benefits. If we can serve you better, we want you to let us know, so we can improve our service for all of our members.

LOWER YOUR HEALTHCARE COSTS IN THREE STEPS

As a Colorado HealthOP member, you will be upgraded from the “standard” version of your plan to the “enhanced” version when you complete three health actions.

HOW TO COMPLETE YOUR HEALTH ACTIONS

STEP 1: TAKE A HEALTH SURVEY

Take a quick, confidential online health survey. It will give you and your primary care doctor a snapshot of your current health and risk for health issues.

STEP 2: GET A BIOMETRIC SCREENING

Schedule a visit at your primary care doctor's office, and get a biometric screening. This free and confidential test will screen for illnesses and identify your risk for certain health conditions.

STEP 3: HAVE A WELLNESS VISIT WITH YOUR PRIMARY CARE PROVIDER

Go to your primary care doctor for an annual wellness visit. The visit is free and it's your chance to discuss your health survey, biometric screening and other health concerns with your doctor.

GET REWARDED!

When you complete all three health actions, you'll be rewarded with:

- Lower-cost or free primary care office visits for the rest of the year
- Free in-network behavioral health office visits
- No cost for all in-network generic prescription drugs
- A lower deductible
- Coverage for acupuncture and chiropractic services

SEE PAGE 3 TO LEARN MORE.

SHOULD MY SPOUSE AND/OR KIDS COMPLETE THE HEALTH ACTIONS?

If you have a spouse and/or children who are covered by your plan, the entire family will be upgraded to the enhanced plan when you and your spouse complete the health actions. If you choose a child-only plan, your child(ren) will be upgraded to the enhanced plan when they complete a wellness visit.
