# Welcome to care that fits your life

This Kaiser Permanente for Individuals and Families enrollment guide can help you choose the right health plan for your needs. Here's a look at what you'll get with all of our plans.

#### Get care on your schedule

Need to schedule an appointment or have a nonurgent question for your doctor's office? Want your prescription refill mailed to your home? After you enroll, create your online account at kp.org or get our mobile app. Then join millions of members who manage their health online – whenever, wherever.

#### Connect to care from anywhere

Want a convenient, secure way to get care from wherever you are? Schedule a call with a Kaiser Permanente clinician, meet face-to-face online, or email your doctor's office anytime with nonurgent health questions.\*.<sup>†</sup>

#### Many services under one roof

Do more in less time. In most of our facilities, you can see your doctor, get a lab test, and pick up prescriptions – all in a single trip. Find a location near you at **kp.org/facilities**.

#### Your doctor, your choice

Choose your doctor based on what's important to you. Go to **kp.org/searchdoctors** for details about education, specialties, languages spoken, and more. You can also change doctors at any time.

### **ClassPass Perks for Kaiser Permanente Members**

We're helping you stay active anywhere.

- Unlimited on-demand video workouts at no cost
- Reduced rates on livestream and in-person fitness classes

\*When appropriate and available. †These features are available when you get care at Kaiser Permanente facilities.

## Choosing your health plan

We offer a variety of plans to fit your needs and budget. All of them offer the same quality care, but the way they split the costs is different.

## Copay plans – gold

You know in advance how much you'll pay for care like doctor visits and prescriptions. This amount is called your copay. Your monthly premium is higher, but you'll pay much less when you get care. Choosing to see a Kaiser Permanente provider for primary care can help you save time and money. When you choose an affiliated provider for primary care, you will pay a slightly higher copay. Visit **kp.org/doctors** for a list of participating providers.

# Deductible plans – gold, silver, bronze, and catastrophic

With a deductible plan, your monthly premium is lower, but you'll need to pay the full charges for most covered services until you reach a set amount, known as your deductible. Then you'll start paying less – a copay or coinsurance. Depending on your plan, some services, like office visits or prescriptions, may be available at a copay or coinsurance before you reach your deductible.

## HSA-qualified high deductible health plans – silver and bronze

HSA-qualified high deductible health plans (HDHPs) are deductible plans that give you the option of setting up a health savings account (HSA) to pay for eligible health care costs, including copays, coinsurance, and deductible payments. You won't pay federal taxes on the money in this account.

You can use your HSA anytime to pay for care, including some services that may not be covered by your plan, like eyeglasses, adult dental care, or chiropractic services.\* If you have money left in your HSA at the end of the year, it will roll over for you to use the next year.

## If you live in Colorado Springs or the surrounding area

If you live in Colorado Springs or the surrounding area, your Kaiser Permanente health plan will be in the KP Select network. As a KP Select member, you'll have the choice of more than 1,500 network providers, including your choice of any of the 1,200 Kaiser Permanente doctors in Colorado.

## Choosing a doctor

As a KP Select member, you'll choose a doctor from the KP Select network. To find a list of KP Select doctors, visit **kp.org** and click "Locate our services," then "Find doctors and locations."

## Hospital care

For scheduled inpatient hospital care, you have access to Memorial Hospital Central and Memorial Hospital North in Colorado Springs, and UCHealth Pikes Peak Regional Hospital in Woodland Park.

\*For a complete list of services you can use your HSA to pay for, see Publication 502, Medical and Dental Expenses, at irs.gov.

## Example of your costs for care

Let's say you hurt your ankle. You visit your personal doctor, who orders an X-ray. It's just a sprain, so the doctor prescribes a generic pain medication. Here's an example of what you'd pay out of pocket for these services with each type of health plan.

Plan name	Office visit	X-ray	Generic drug
KP CO Gold 0/20 RX Copay (no deductible)	\$20 KP medical office/\$40 affiliated provider <sup>†</sup>	35%	\$10*
KP CO Silver 5000/25 X (\$5,000 deductible)	\$25 KP medical office/\$45 affiliated provider <sup>†</sup>	40% after deductible	\$15*
KP CO Bronze 6500/35%/HSA (\$6,500 deductible)	35% after deductible KP medical office/50% after deductible affiliated provider <sup>†</sup>	35% after deductible	\$35 after deductible*

\*Mail order: 90-day supply of qualified prescriptions for the cost of a 60-day supply.

<sup>†</sup>Affiliated providers practice outside Kaiser Permanente medical offices. Visit **kp.org/doctors** for a list of participating providers.

After the first fill, maintenance drugs are required to be filled at a Kaiser Permanente medical office pharmacy, or through mail order.

The cost estimates above are from kp.org/treatmentestimates. Visit this site anytime to get an idea of what the charges for common services might be before you reach your deductible.

## Pediatric dental care

Kaiser Permanente health plans at the Bronze, Silver, and Gold levels provide essential health benefits, including pediatric dental benefits for children 18 and younger.

## A reason to smile

Pediatric dental benefits are provided by Delta Dental of Colorado, one of the nation's largest and most experienced dental providers. Delta Dental provides members with the convenience of local customer service and a statewide network of 2,400 PPO providers.

## Finding a dentist

Delta Dental makes it easy to get dental benefits for children covered on your Kaiser Permanente plan.

- Website. Visit deltadentalco.com and use the Find a Dentist search tool. Search by city, state, or ZIP code for a listing in your area. Make sure the dentist information says "This provider participates in: Delta Dental PPO."
- **Mobile app.** With Delta Dental's mobile app for Android and iOS, you can search for dentists, download an ID card, and look at benefits coverage and claims.

 Phone. Call Delta Dental of Colorado at 1-800-610-0201. You can speak with a customer service agent Monday through Friday, 8 a.m. to 6 p.m., or get automated assistance 24/7.

#### Important to note

Children must see a Delta Dental PPO dentist for care. Services provided by dentists outside of the PPO network are not covered.

Kaiser Permanente health plans do not include dental benefits for adults 19 and older. If you want adult dental benefits, you may purchase separate adult dental benefits from Connect for Health Colorado or another health insurance carrier. The Kaiser Permanente Catastrophic plan does not include pediatric dental benefits.

## Benefits

Dental benefits are for covered children up through the month they turn 19. Coverage is listed under the child's name.
